THE SALVATION ARMY OF SACRAMENTO

Dear Friend,

What a blessing it is to be the Divisional Commander of the Del Oro Division. To be a part of the Capital Region, surrounded by such rich history, unique beauty, and generous supporters such as yourself, is truly something of which we can all be very proud.

The Salvation Army is here to serve the needs of Sacramento County. From the E. Claire Raley Transitional Living Complex, to Shelter Services, to the Early Care and Education Programs, the role of The Salvation Army is to help individuals and families at their point of need.

Throughout these ever-changing times, The Salvation Army is rising to meet the needs of our region. Therefore, I invite you to partner with us to sustain our community and to bring hope to the women, men and children of Sacramento who need it most.

I would like to encourage you to read the information enclosed in this booklet and to reach out to our Donor Relations Staff, Kim Butters and Mitch McConkey, or one of our Advisory Board members to learn how your generosity and compassion can make miracles happen.

Sincerely,

Major Ivan Wild
Del Oro Divisional Commander

SACRAMENTO COMMUNITY CENTER

- Our **Little Lambs Early Care and Education Program** offers year-round affordable childcare for pre-school children. This licensed program helps to develop healthy and prepared children with strong parental relationships.
- **Elev8 After School Program.** Between 70% and 80% of juvenile crime happens during after-school hours. Our program provides a safe, creative environment where children participate in tutoring, music, visual arts and literacy programs.
- Our **Basketball League** is vital to assisting youngsters with self esteem, sportsmanship and teamwork.
- **GED Program.** Students spend one year concentrating on classes and lab work with tutoring and GED test preparation. Upon successful completion of the program and passing the test, students receive their General Education Diploma and enter a new world of opportunities, increased earning potential and a sense of self-confidence.

"I work full time; having this program to help me out is amazing, because child care is expensive. It's been a good preparation for going into school."

Also at the Center, we've introduced our new **Culinary Arts Training Program** to enable us to serve those persons who have come to grips with their homelessness and/or addiction issues and are ready to take the next step in becoming independent.

The Salvation Army is dedicated to meeting the needs of a growing population in our area: homeless families. The 34-unit **E. Claire Raley Transitional Living Center** provides struggling families with structured programs and an opportunity to live in a safe, sober apartment for six months to two years. In addition to the warmth and stability of their furnished units, families take advantage of important social services programs, including daily counseling to help them find stable housing and employment. The complex also offers access to recovery programs, as well as tutoring and mentoring. The breadth of this program truly transforms the lives of Sacramento families.

FAMILY SERVICES

Our Family Services office strengthens Sacramento County families by providing vital services year-round. With our food box program, we feed 2,000 families per month. Our rental and utility assistance provides crucial help in times of crisis. We're also proud of our **Women of Hope**, who learn job readiness skills for a life of success.

"I was using drugs and bringing my family down with me. The Transitional Housing program has given us classes on employment, parenting and job skills, all in a sober environment. I'm forever indebted."

- Greg, housing resident

THE ENDOWMENT PARTNERS PROGRAM

Endowments are special because they provide a permanent source of support for programs and services that make a substantial difference in the lives of others. The Endowment Partners Program brings together people with a shared vision to reshape their community.

Each Endowment Partner shares an enduring belief in the mission of The Salvation Army in Sacramento County. Their endowment investment provides a return beyond measure in the shared accomplishment of lives changed and a community enhanced for generations to come.

HOW TO JOIN THE ENDOWMENT PARTNERS PROGRAM

Outright Gifts

Outright gifts can be made using cash, stock, mutual funds, real estate or a direct transfer from your IRA. Gifts of appreciated assets have the added advantage of eliminating capital gains tax, which reduces the cost of your gift.

Life-Income and Testamentary Gifts

There are a variety of gift planning options available that can be customized to meet your personal financial needs and charitable giving goals. They include:

- **Charitable Gift Annuity** – A charitable gift annuity is a simple contract that provides one or two beneficiaries with a fixed and secure income for life at attractive payout rates. Benefits include tax savings and tax-advantaged income. When you fund a charitable gift annuity, a portion of your gift will be transferred at your passing to the program endowment you designate.

- **Charitable Remainder Trust** – A charitable remainder trust is extremely flexible and may be customized to meet your personal and family needs. Income may be fixed or variable. The trust term may be measured by lifetimes or a fixed number of years.
- **Will, Living Trust or Beneficiary Designation** – You can fund an endowment gift by naming The Salvation Army as a beneficiary through your will, living trust, retirement plan, IRA, bank accounts or life insurance policy.

THE NAMED ENDOWMENT FUND: A LASTING LEGACY

The establishment of a named Endowment Fund can memorialize the values of an individual or family in perpetuity. The minimum commitment to establish a named endowment is \$100,000 to be funded now or through a testamentary gift.
