

TOY & JOY

Each year, we celebrate the families we serve through an event called “Toy & Joy” where thousands of families receive toys for their children plus, a grocery store gift card to purchase ingredients for a holiday meal.

2022 was another remarkable year. With our fabulous volunteers, we were able to bring Christmas joy to **6,871 kids** in King County.

Simply put, The Salvation Army would not be able run this toy distribution event without the support of our incredible community.

Each year volunteers donate their time to assist with the following:

- **Toy sorting** – volunteers inventory the toy donations and sort them by age
- **Toy placement** – volunteers arrange toys on the tables
- **Shoppers** – volunteer receive a client information sheet with children’s ages and toy preferences. Shoppers do their best to select gifts for each child
